volunteering at the Case.*

Good! We need volunteers in these areas:

Bar-tending

Gardening

Decorating

General Maintenance

Cellar

Why would I want to?

The Case can't operate without its volunteers. But it isn't meant to be a chore. We love what we do and have the satisfaction of knowing we're contributing a huge amount to our community. We've made new friends and learnt new skills. We wouldn't do it if we didn't enjoy it.

*I don't know anything about
working in a pub.*

Most of us didn't either! In the early days we all learned and made mistakes together, but these days our new Bar and Front of House volunteers are fully trained by experienced volunteers, You'll work with experienced volunteers until you feel confident. An hour or so to spare we would love to have your help.

I can't commit to a regular slot.

Doesn't matter. If you're on the gardening team, it's OK to come along and do a bit when you have some spare time, just like your own garden. The maintenance and decorating team gets together whenever there's work to be done and if you can't make it, there's usually someone who can.

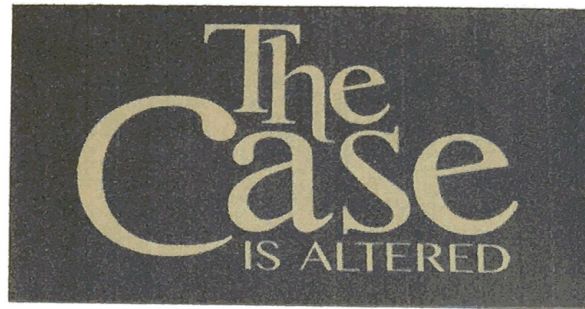

If you're in a customer-facing role, it's helpful if you **can** commit to a regular slot, but there are always gaps on the rota that need to be filled and you can enter your name for a day and time that suits you. It might be once a week or once a month – it all helps.

I'm not sure it's for me, but I'd like to find out more.

Or, I'd really like to join.

What now?

Fill in your details  and hand the form to someone behind the bar. We'll get in touch with you to talk about the next steps. Or you can ring the pub on 01473 805575 – or just pop in and ask at the bar.
